The inquiry is expected to be completed by the end of August 2004. In the meanwhile, on the directions of Government, Kendriya Vidyalaya Sangathan has modified the transfer guidelines, the salient features of which are as hereunder:—

(i) The concept of 'displacement transfers' been done away with. No teacher will be transferred out to 'accommodate' any other teacher.

(ii) In general, teachers/staff members of Kendriya Vidyalaya Sangathan will not be transferred by organization except on administrative grounds.

(iv) The concept of surplus teachers has been changed from the existing criteria of declaring the teachers with longest stay as surplus to the teachers with least number of years' served in a particular Vidyalaya.

(v) In order to ensure that there is minimum disruption of teachers from Kendriya Vidyalayas, it has been decided that even in case promotion of teachers, the teachers can continue to work in the same Vidyalaya provided there is a vacancy. In case there is no vacancy, he/she can exercise his/her request for the nearest available vacancy.

(vi) Even in the case of Vice Principals and Principals, while they would not be allowed to continue in the same Vidyalaya when promoted from junior post, they can be posted within the same region and subject to availability of vacancy in the nearest Vidyalaya as well.
